THE LOWELL IN CELEBRATION WITH DIOR

United by the vision of discrete and timeless luxury, The Lowell and Dior have come together to elevate the time-honored tradition of tea with ultimate sophistication and style. Majorelle, with its majestic floral arrangements and light-filled terrace, provides an idyllic, garden-like setting for the Lily of the Valley Tea.

Christian Dior, an avid gardener, found constant inspiration in nature and held great admiration for the lily of the valley, a symbol of the fine weather heralding the arrival of spring and the haute couture season. A magical thinker, Mr. Dior would share the spirit of good luck and prosperity with his clients by sewing a sprig into the hem of each of his dresses. As a tribute to this fascination, the Muguet collection—dreamed up by Cordelia de Castellane—has been enriched with new items dedicated to the art of tableware.

We hope you enjoy this special collaboration at Majorelle!
